Welcome to ICRASTEM-2027

Welcome to the **International Conference on Recent Advances in Science, Technology, Engineering and Management (ICRASTEM-2027)**, organised by The IRES on 9th-10th April 2027 in Chennai, India. Join a vibrant exchange of ideas at the forefront of multidisciplinary scientific and educational research, and engage with scholars, researchers and practitioners exploring innovative approaches and current trends across diverse disciplines.

Together, let us delve into transformative research that inspires and redefines the future of learning, science and technology.

Purpose

To provide a collaborative platform for global researchers, educators, academicians and industrialists. The conference facilitates the exchange of innovative research, methodologies and practices across science, technology, engineering and management, encourages dialogue and interdisciplinary connections, explores emerging trends and showcases effective strategies to advance scientific and educational disciplines.

Objective

To create a vibrant platform for global scholars, researchers and educators to exchange cutting-edge research across science, technology, business management, healthcare and education. The conference also addresses contemporary challenges in business management, social science and law, exploring emerging trends and innovative approaches, and offering attendees practical insights and solutions.

Why Should You Attend?

1. **Presentation Opportunities**
   Present your paper or proposal before a wider audience and gain exposure for your work.

2. **Learning Opportunities**
   Learn the latest trends and best practices through keynotes, technical sessions and workshops.

3. **Career Opportunities**
   Interact with delegates from leading organisations in multidisciplinary research and innovation.

4. **Exposure to New Ideas**
   Encounter ideas and expertise you have never met before and broaden your field of view.

5. **Publication Opportunities**
   Explore publication routes in academic journals, including Scopus-indexed journals.

Fostering SDG Synergy

ICRASTEM-2027 promotes research and collaboration aligned with the United Nations Sustainable Development Goals.

Important Dates

01 Mar 2027
Abstract Submission
Deadline

15 Mar 2027
Full Paper Submission
Deadline

25 Mar 2027
Registration
Deadline

09-10 Apr 2027
Conference
Chennai, India

Publication & Recognition

Scopus-indexed Journals

Selected high-quality papers presented at the conference will be processed for publication in Scopus-indexed journals, giving your research global visibility and recognition.

Conference Proceedings

The proceedings series will be submitted to the Web of Science Book Citation Index (BkCI) and to Scopus for evaluation and indexing (T&C; apply).

Crossref DOI

Register and receive a Crossref DOI for your paper, improving discoverability and citation of your work.

13 CPD Credit Hours

Participants receive a CPD certificate on completion, recognising continuing professional development.

Venue

The Vijay Park, Chennai

J N Salai 12, 100 Feet Rd, Annai Sathya Nagar, Arumbakkam, Chennai, Tamil Nadu 600106, India

Hybrid mode: attend in person or join virtually

Conference Disciplines

ICRASTEM-2027 welcomes research that spans the following areas, with a focus on recent advances and their practical impact.

Science | Technology | Engineering | Business Management | Healthcare | Education | Social Science | Law

How to Participate

1 Submit
Send your abstract by 01 Mar 2027 and full paper by 15 Mar 2027, or register as a listener.

2 Register
Complete conference registration by 25 Mar 2027 and receive your Crossref DOI.

3 Present
Present in person in Chennai or virtually in hybrid mode on 9-10 Apr 2027.

4 Publish
Selected papers are processed for Scopus-indexed journals.
